JUNIOR HANDLING

A huge thank you to The Merseyside Boxer Club for inviting me to judge their Junior Handlers classes.

I am honoured to have so many up and coming junior handlers enter. The quality was exceptional and it's pleasing to see youngsters enjoying their hobby.

6-11 Years (3/1)

1. Jade Saunby

A brilliant young handler, who impressed me getting the best out of her dog on the move. A lovely relationship between dog and handler.

2. Gosha Buchwald

Another super junior handler, who handled her dog effortlessly.

I expect an exciting future for this girl as her passion for the showing shines through.

12-16 Years (6/2)

1. Daisy Mason

An amazing, confident handler who gets the absolute best from her dog at all times.

So very natural and easy to forget she's a junior. Lovely relationship between dog and handler and an absolute pleasure to award 1st and Best Junior Handler.
