Special Puppy Dog 6 to 8 months.

1st Lorrosa The Guardian

Six-month-old brindle boy with a lovely square outline, very good angulations nice fore chest and nice long neck, good topline and tail set. Nice head with expressive dark eyes good mouth and width of muzzle. Moved well for age and enjoyed himself being shown.

2nd Arkeney Adventurer

Another six-month-old brindle boy again having a nice head and muzzle width. A bit straight in upper arm lacking fore chest. Good bone and nice topline and tail set.

Special Puppy Bitch 6 to 8 months.

1st Newlaithe Monsoon Tropics

6-month-old brindle bitch with a lovely feminine head, square compact outline with a good forechest, long neck set on properly laid shoulders leading to a very good topline and tail set, nice straight legs with good pasterns and very good angulations. Moved well and lovely character on this girl.

2nd Arkeney Astra

6 months old brindle bitch with good bone. Good head and mouth. A bit straight in upper arm and a would have preferred a more compact outline. Good rear angulations.

Special Puppy Bitch 8 to 10 months.
